Professional consent form

Please read and initial the statements below to show that you have understood and agree to each one:

Please initial:

1	I have read and understood the information sheet dated (--/--/--) for the above study. I have had the opportunity to consider my participation and to ask questions, which have been addressed.	
2	I understand that my participation is voluntary and that I am free to withdraw at any time without reason or consequence.	
3	I understand that interviews in this study will be audio-recorded and agree to such recordings taking place. I am aware that my contribution will remain anonymous and that any personally identifiable information will be removed.	
4	I agree to my anonymised contributions (in the form of excerpts of written transcripts of interview recordings) being cited in written publications/oral reports of this research.	
5	I understand that if I choose to withdraw, I will have up to two weeks after the date of my interview to request for the information I have provided to be removed from the study.	
6	I understand that my anonymised data will only be accessed by members of the LIBERATE research team and will be stored electronically on the secure University of Leeds server.	
7	I give permission for the research team to store my contact details for the purposes of arranging the interview, or sending me study documents/updates where required or if requested.	
8	I understand that any personal data will be securely stored in locked filing cabinets or electronically on secure servers, with access strictly limited to those in the research team, and confidentially destroyed six months after the study closes.	
9	I understand that my study information may also be looked at by regulatory bodies (such as Leeds Teaching Hospitals NHS Trust Research & Innovation Department).	
10	I agree to take part in the above study.
